

Next Level Leadership

Course Description

In this two day workshop, your leaders will explore how effective leadership begins with the mastery of self. Building on this solid foundation, your leaders will dissect a real world example of digging through information to effectively motivate and lead their team. Lastly, your leaders will apply new tools and techniques to connect their team's activities to company objectives and intentionally inspire their team to excel.

Course Objectives

Day 1 – Leadership Approach

Module 1 – Leading Outside the Box

- ❖ Articulate value of taking ownership over team development.
- ❖ Present detailed solution for leadership case study.

Module 2 – Power of Our Motivations

- ❖ Explain the psychological connection between inner motivations and the affect they have on our leadership decisions.

Module 3 – Importance of Our Actions

- ❖ Identify the three outcomes of a successful interaction and their impact on a personal brand.

Module 4 – Owning Your Interactions

- ❖ List and explain the three types of social cues that impact your leadership credibility.

Module 5 – Finding Purpose

- ❖ Contextualize their leadership goals and aspirations within the pursuit of purpose.

Module 6 – Inspiring on Purpose

- ❖ Answer the three questions that will influence their leadership approach.

“ Larry's method leads to teams working together to find the [company] solution, based on the mission statement and values, rather than a competition between personal agendas.”

- Sr. Manager,
Luminex, Corp.

Day 2 – Leadership Application

Module 1 – The Tale of Two Hats

- ❖ Identify and articulate the similarities and differences between a manager and a leader.
- ❖ List the five principles of leadership.

Module 2 – Leadership in Action

- ❖ Apply development techniques to common leadership situations.

Module 3 – INSPIRE Strategy

- ❖ List and explain the seven steps of next level leadership.
- ❖ Create an action plan to implement the seven steps.

Who should attend?

- Front Line & Sr. Managers
- New Leaders
- High-Potential Employees
